## INVITATION

Dear colleagues and precious partners from the Industry,

Enclosed you will find an overview of our Partner Opportunities for the ECoP & Another Phlebology Conference 2026, which will be organized on Thursday, Friday, and Saturday, November 5-7, 2026, in Budapest, Hungary.

There are many opportunities for our medical industrial partners to promote themselves at the ECoP & Another Phlebology Conference 2026. Therefore, it is our great pleasure to invite you to become a partner for this Conference. This conference is organized with educational lectures especially for the professionals dedicated to venous disease. All professionals—nurses, vascular technicians, doctors, medical specialists, trainees, and all others involved in venous pathology—are invited to join in. The program is adjusted to the curriculum of the UEMS to improve the theoretical knowledge, understanding of all diagnostic and therapeutic tools, and follow-up assessments in venous disease.

The ECoP & Another Phlebology Conference 2026 will offer the participants:

- Ten scientific sessions with over sixty invited lectures on venous topics
- 25 sessions sponsored by the industry
- Four sessions of oral abstracts

Everything will be valued with CME points and compliant with MedTech regulations.
